MEMORANDUM FOR:

25X1C8c

SUBJECT : Transmittal of Materials

1. Enclosed herewith are the following items per our discussion during your recent visit.

25X1A2g

a. Reports Control Manual. Included in the back of this manual is the [REDACTED] report format. This is the only weather report which it is felt would have any application for your use as it is the only weather report distributed to our detachments. The others which you saw in our weather section are merely for interchange between this Headquarters and the Weather Central at Offut.

b. Two sets of six photographs per set of Organizational Charts.

c. Two sets of Jet Navigation Charts covering the area of common interest. If you need additional U. S. Air Force charts and are not able to get them through your normal U. S. Air Force contacts, advise and some system will be arranged to get them to you.

d. Catalog of Aeronautical Charts.

e. NACA-AWS Publicity Folder.
